Objectives:

- 1) to provide an organized link and communication channel between the people in the U.S. and the Guatemalan people and their organizations.
- 2) to facilitate campaigns and activities at a national level.
- 3) to receive and distribute the news and other information related to the Guatemalan situation.
- 4) to promote the work of solidarity with Guatemala within organizations at a national level and to stimulate through the regionals, the formation of new groups at a local level.
- 5) to mobilize around emergency situations when necessary.
- 6) to facilitate the organization of national conventions and to help with the coordination of regional meetings.
